### **DEPUTY CITY ATTORNEY III**

### Class Definition

Under general supervision, provides professional legal services to the City Council, boards, commissions, offices, and departments.

## **Distinguishing Characteristics**

Deputy City Attorney III is the advanced working level class in the Deputy City Attorney series. Incumbents act as deputies to the City Attorney and perform a variety of more complex legal duties. These duties involve the handling of civil and criminal law problems including the preparation of cases for trial, the drafting of resolutions and documents, and the preparation of legal opinions. Incumbents are expected to use professional judgment and skill in the performance of duties, the acceptability of which is subject to review by professional superiors. This class differs from Deputy City Attorney II in that the latter is the working level class in which incumbents work under closer supervision on less complex legal problems. These are unclassified positions in which incumbents serve at the will of the City Attorney.
